

Hollingsworth Park Commemorative Brick Campaign

In memory of Victor's dedication to the community, the Victor Donato Memorial Foundation will be enhancing Thomas Hollingsworth Park overlooking Crystal Lake with a beautiful new memorial garden, complete with vibrant floral displays and a paved walkway. This commemorative brick campaign provides community members the opportunity to include their special memories as a permanent fixture within the park while supporting our beautification efforts.

Please take advantage of this wonderful opportunity to honor a family member, special occasion, organization, or significant event with a Hollingsworth Park commemorative brick. Birth dates, wedding dates, anniversaries, graduations, and memories of loved ones are just a few examples of brick dedication possibilities.

All proceeds from this commemorative brick campaign directly fund the park beautification and memorial garden installation. You will be able to enjoy walking on the pathway and spotting your personalized brick alongside the improved landscaping for many years to come.
